NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST, MARCH 2025

LLP Overview

Sudarshan Akshar Speciality Chemicals LLP ("the LLP") having LLPIN : AAV-4080 was incorporate on January 09, 2021 as limited liability partnership firm, under the Companies Act, 2013

The LLP is in business of chemicals and Solvents in India

Statement of Significant Accounting Policies

a. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention, on accrual basis and in accordance with the generally accepted accounting principles in India ("GAAP"), and comply with the accounting standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

b. Use of Estimates

The Preparation of Financial Statements in conformity with India GAAP requires judgments, estimates and assumptions to be made that affect the reported amount of Assets & Liabilities, Disclosure of contingent liabilities on the date of financial statements and reported amount of revenue & expenditure during the reported period. Difference between the actual results and estimates are recognized in the period in which the results are known/materialize.

c. Revenue Recognition

- i Sale of Goods & Services are recognized when significant risks and rewards of ownership are passed on to customers or when the full / complete services have been provided. Sales are stated at contractual realizable value.
- ii. The LLP generally follows the mercantile system of accounting and recognizes significant items of income and expenditure on accrual basis.

d. Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Finance cost relates to acquisition of fixed assets are included to the extent they relate to the period till such assets are ready to be put to intended use.

Capital Work-In-Progress

Expenses incurred for acquisition of Capital Assets outstanding at each balance sheet date are disclosed under Capital Work-in-Progress. Advances given towards the acquisition of Fixed Assets are shown separately as Capital advances under head long term loans & advances.

e. Depreciation

Depreciation on tangible fixed assets is provided on straight line basis in accordance with the provisions of useful life specified in Schedule II of the Companies Act, 2013 and on additions/ disposals during the year, on pro-rata basis. Further, the management of the Company has reviewed / determined tangible fixed assets remaining useful lives.

f. Employee Benefits

- i) Defined contribution plan: The Company's contributions paid or payable during the year to the provident fund for the employees is recognized as an expense in the Statement of Profit and Loss.
- ii) Defined Benefit Plan: The Company's liabilities towards Defined Benefit Schemes viz. Gratuity benefits and compensated absences are determined using the Projected Unit Credit Method. Actuarial valuations under the Projected Unit Credit Method are carried out at the Balance Sheet date. Actuarial gains and losses are recognized in the statement of Profit and Loss in the period of occurrence of such gains and losses. Sick leaves and casual leaves are not encashable. However, as the same are eligible for carry forward, provision has been made based on Actuarial Valuation report.

g. Foreign Currency Transactions

- i. Foreign exchange transactions are recorded at the closing rate prevailing on the dates of the respective transaction. Exchange difference arising on foreign exchange transactions settled during the year is recognized in the statement of profit and loss.
- ii. Monetary assets and liabilities denominated in foreign currencies are converted at the closing rate as on balance sheet date. The resultant exchange difference is recognized in the statement of profit & loss.
- iii. Exchange rate differences arising on a monetary item that, in substance, forms part of the company's net investment in a non-integral foreign operation are accumulated in a foreign currency translation reserve in the company's financial statements until the disposal of the net investment.
- iv. Non monetary assets and liabilities denominated in foreign currencies are carried at the exchange rate prevalent on the date of the transaction.

h. Borrowing Costs

Borrowing costs that are directly attributable to and incurred on acquiring qualifying assets (assets that necessarily takes a substantial Year of time for its intended use) are capitalized. Other borrowing costs are recognized as expenses in the period in which same are incurred.

i. Taxation

Tax expenses are the aggregate of current tax and deferred tax charged or credited in the statement of profit and loss for the year.

i. Current Tax

The current charge for income tax is calculated in accordance with the relevant tax regulations applicable to the Company.

ii. Deferred Tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the Year. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date.

j Investments :

Long-term investments and current maturities of long-term investments are stated at cost, less provision for other than temporary diminution in value. Current investments, except for current maturities of long term investments, are stated at the lower of cost and fair value

k Inventories :

Raw materials, stores and spare parts, sub-assemblies and components are carried at the lower of cost and net realisable value. Cost is determined on a weighted average basis.

Finished goods produced or purchased by the Company are carried at lower of cost and net realisable value. Cost includes direct material and labour cost and a proportion of manufacturing overheads.

l Provisions, contingent Liabilities and contingent assets:

Provisions are recognised when the company has an obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the best estimate of expenditure, that is required to settle the present obligation at the balance sheet date and are not discounted to its present value.

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

m Operating Leases

Lease contracts that do not transfer substantially all the risks and benefits of ownership of the assets to the company are classified as operating leases. Where lease rentals are so structured that the rental outflow is higher in the later periods of lease term, such lease rentals are recognised in the statement of profit and loss on a straight line basis over the lease term. Other operating leases are recognised in the statement of profit and loss as per the terms of the lease contract.

n Impairment of Assets

The Company evaluates all its assets for assessing any impairment and accordingly recognizes the impairment, wherever applicable, as provided in Accounting Standard 28, "Impairment of Assets".

o Miscellaneous Expenditures

Miscellaneous Expenditures are fully charged off in the year in which they are incurred.
